Book Fair News

Thank you so much for all the books that you purchased at the Book Fair. You'll be happy to know that the total sales amounted to \$9,752.21. From that, our library fund increased by \$2,257.38. Due to our high percentage of sales, we were able to receive over \$1,000.00 of free books selected for our TLCS library. Also, \$198.00 was donated to the San Francisco Inner-City Mission Project. This donation selection was an integral part of this year's Book Fair. We thank you for your generosity and appreciate your support.

Volunteer Appreciation—June 2nd—1-1:25pm

Save the date!! June 2nd at 1:00pm all parents who have volunteered in and out of the classroom are invited to attend their classroom reception as a thank you for your efforts this year.

At 1:25pm all parents are invited to Monschke Hall for a short assembly to thank parents who have been responsible for school-wide events.

At 2:00pm, students and parents will be in the auditorium for the students' Awards Assembly.

ALL SCHOOL END OF THE YEAR PICNIC

Everyone is invited to our annual all-school picnic on the ball field on Friday, June 6th from 11:00am – 12:00noon. The students may be released to the parents after the picnic; however, they MUST check out with their teacher.

Spring Musical DVDs are available in the school office

COUNTRY FAIR EXTRAVAGANZA

We owe Lora Spurlock a ton of thank-yous for heading up a most wonderful Country Fair this year. The entire playground and field housed some very exciting rides and events. Ticket sales were booming and crowd estimates topped 1,000! Many, many parents assisted Lora in this giant project. It was a fabulous school and community event and it was enjoyed by everyone who attended. While events like this can be exhausting to organize and host, the effort was very much worth everything people put into it. Our hearts are grateful for Lora and ALL of her chairmen for this event.

THANK YOU!!

SPRING / SUMMER DRESS CODE

Page eight in the Parent and Student Manual states that clothing worn to school should be both appropriate and school safe. When the hot weather approaches, people tend to revert back to flip flops, sleeveless "muscle" shirts for boys and tank tops for girls. Please discuss with your student the inappropriateness of wearing such apparel to TLCS.

MAY DATES TO REMEMBER
